## Kvalita a tradice – již 33 let s vámi

Značka **CAPU** přináší teplo, pohodlí a styl do šatníků rodin již **33 let**. Ať už hledáte **čepici, šálu nebo rukavice**, vždy se můžete spolehnout na špičkovou **kvalitu a precizní zpracování**.

Ročně zpracujeme **50 tun prvotřídních materiálů** a vyrobíme **přes 300 000 kusů** dámských, pánských a dětských doplňků, které si oblíbili zákazníci po celé Evropě. **Největší podíl prodeje stále drží Česká republika a Slovensko**, kde jsou naše produkty synonymem pro **komfort a dlouhou životnost**.

Díky pevným obchodním vztahům a důvěře zákazníků můžete naše výrobky najít téměř v každém městě. Každý kus vzniká s **láskou a maximální pečlivostí v Třebíči**, kde naši zkušení zaměstnanci svou **šikovností a precizností** přispívají k úspěchu značky již od jejího vzniku.

**CAPU – česká kvalita, kterou si zamilujete.**

## Jsme součástí ochranné známky Český výrobek

Říká se, že Češi mají „zlaté ručičky“ – a historie to jen potvrzuje. **České vynálezy změnily svět** a dodnes jsme národem **vynalézavým, podnikavým a pracovitým**. Proto jsme hrdí na každého, kdo v České republice **poctivě tvoří, vyrábí a podniká s láskou**.

Ale jen hrdost nestačí. Právě proto vznikla **ochranná známka Český výrobek**, která podporuje **české firmy a podniky**. Jejím cílem je **ukázat zákazníkům skutečnou kvalitu domácí produkce** a zvýšit povědomí o českých výrobcích, na které můžeme být právem pyšní.

## Jsme držiteli licence Česká kvalita!

Program **Česká kvalita** je prestižní značka podporovaná vládou České republiky, která **garantuje ověřenou kvalitu výrobků a služeb**. Tento program je součástí **Národní politiky kvality** a jeho hlavním cílem je vytvořit **jednotný a důvěryhodný systém**, který pomáhá zákazníkům snadno rozpoznat **skutečně kvalitní a prověřené produkty**.

Výrobky označené touto značkou **procházejí přísným nezávislým ověřováním**, aby byla zajištěna jejich **vysoká kvalita, bezpečnost a dlouhodobá spolehlivost**. Zároveň se tímto systémem **vyklučují zavádějící označení**, která by mohla zákazníky klamat.

Držení licence **Česká kvalita** je pro nás **závazkem i potvrzením**, že naše výrobky **splňují nejpřísnější standardy** a zákazníci se na ně mohou **spolehnout i v dlouhodobém horizontu**.

## Jsme Zelená firma

Projekt „**Zelená firma**“ pomáhá chránit životní prostředí a podporuje efektivní recyklaci elektroodpadu. Zaměřuje se na firmy, které **ekologicky smýšlejí** a chtějí nejen **snížit svůj ekologický dopad**, ale také **nabídnout svým zaměstnancům smysluplný benefit**.

Díky projektu mají firmy možnost **jednoduše a odpovědně nakládat s nepotřebnými elektrozařízeními**, čímž pomáhají snižovat množství odpadu a přispívají k **udržitelnější budoucnosti**.

Do iniciativy „**Zelená firma**“ se zapojila řada firem z celé České republiky – a **CAPU** je jednou z nich.
